TRADING AS SUPER TRASH

USE - LADIES FASHION

Super Trash has an annual turnover well in excess of £20 million per annum and is represented in 29 countries with a major online presence through Asos, Amazon and many others.

Currently trading from one stand alone store on Carnaby Street and in select outlets including Selfridges (Manchester) and House of Fraser.

Prime shopping centre and high street locations in the North West considered.

There is potential for my client to convert to a permanent lease should the store trade to expectations.
